CREATING & PRICING YOUR OWN CUSTOM Rx LABEL

1. Choose a size and shape from the "Label Shapes & Sizes" page.
2. Select a "directions #" from this page or the Heartworm, Flea & Tick page or *create your own!*
3. Choose a logo and tpestyle from below.
4. Determine the price per thousand and the one-time printing plate charge for each label using the "Custom Printed Price List".

Example — You send us this:

Stock logo #016
 Please use Rx "directions" #19

We'll print this:
